

GROWTH COMMITTEE

August 8, 2018

Present: Dick Foran, Tim Malmkar, Jennifer Priest & Kirsten Parker

Kurt O'Dell gave a bid of \$6,000(from the building fund) to construct the storage shed. Tim will coordinate a start date with Kirsten and O'Dell.

The Up With People organization will be in NP the first week of September. A group will sand and stain the new train. Dick will work on the minor repairs needed before they start that project.

The group will also spend time at the GST for their travel/education day.

NPRD

Mattel needs to approve the release for Thomas the Train show tickets.

There was a discussion on the hiring of a NPRD coordinator. Kirsten indicated that to maximize the event and for her to focus on the GST, a dedicated person would be beneficial.

Discussion followed as to what that position would entail and the skills set that would be needed for the position.

Next meeting: September 12, 2018 8:00AM
