

**3rd Annual "Stay in the Car" Easter Bunny Saturday,  
April 16th at the Golden Spike Tower**

**How it works:** Cars enter a drive thru at the Golden Spike Tower parking lot where the Easter Bunny will visit each of the cars and visit with each child, giving each kid candy and an egg containing a prize ticket. That prize ticket is valid for a variety of level of prizes, age appropriate. Just like if they were attending an egg hunt.

**Expected Attendance:** 350 Kids, 200 cars

**Recognition:** Your logo will be included on thank you cards that are provided to each car. In addition to social media posts promoting the event.

**Deadline to sponsor prizes:** March 31st, 2022
